**\*\* We would like to give a huge shout-out to all the graduates this year! Way to go! \*\***

**Swim Center:** The pool is now open for the summer and the lifeguards are on duty.

Pool Hours are 6am – 11pm daily except Wednesday which is Noon – 11pm.

Lifeguards are on duty from Noon - 8pm daily.

The pool is for the enjoyment of Scofield Ridge HOA residents and their guests only. Please do not open the gate for anyone you don't know.

A baby changer has been installed in the women's restroom so please utilize it so we can keep the pool area as clean and safe as possible. Children under the age of 3 and children that are not potty trained are required to wear swim diapers to use the pool. Children under the age of 15 are required to have adult supervision. If you have any concerns about the pool or playground area please email [Pool@ScofieldRidge.org](mailto:Pool@ScofieldRidge.org).

**Constable Patrols:** Deputy Constables from Travis County Precinct 2 will continue to patrol our neighborhood during the week. Please be on the lookout for any suspicious behavior and do not hesitate to call 911 if something doesn't look right. Now that summer is upon us, criminals may have spare time on their hands so we need to be extra vigilant!! If you would like to learn more about the Neighborhood Watch Committee or become a block captain, email [NeighborhoodWatch@ScofieldRidge.org](mailto:NeighborhoodWatch@ScofieldRidge.org).

**Post Puller:** If you still have tree posts in your yard that used to be supporting young trees that are no longer needed, please email [Board@ScofieldRidge.org](mailto:Board@ScofieldRidge.org). The HOA has purchased a post puller that makes a quick job of removing the posts. It's FREE!!! We can bring the puller to you and help you get the posts out to spiff up your yard!

**Volunteer for a committee!** We are looking for folks to serve on neighborhood committees. The committees play important roles in maintaining the value and quality of our neighborhood. We are looking for more volunteers for the Maintenance & Safety committee, the Publicity committee, and a neighborhood website manager. The time commitment is very minimal. Please reply to [Board@ScofieldRidge.org](mailto:Board@ScofieldRidge.org) if you would like to volunteer or learn more about what these committees do for our neighborhood!

**Neighborhood Recycling Program:** The Maintenance & Safety Committee started a limited recycling program about a year ago and thanks to you, it has been very successful. We collect old cell phones, working or not, and send them to a program called Cell Phones For Soldiers. This is a recycling program that was started by two teenagers. The company sends a pre-paid calling card to an active military person in exchange for each phone recycled. Scofield Ridge is responsible for providing 112 calling cards thus far. Great Job!

We also collect household batteries and compact fluorescent light bulbs and take them to the Hazardous Waste site and keep them out of the landfill where the chemicals can leech into our water supply. We have only collected a handful of CFLs but we have collected over 500 batteries (we stopped counting).

We try to be at most social events with our collection bin and will even give you a cloth shopping bag in exchange for your recyclables. If you have any questions about the program please email us at [Recycle@ScofieldRidge.org](mailto:Recycle@ScofieldRidge.org). Thanks for all you do to help make Scofield Ridge a great place to live!
